# THE SECRET SPOT OF LES 3 VALLÉES

Orelle, nestled in the heart of the Maurienne Valley, is the secret spot of The World's Largest Ski Area. This charming, picture-postcard traditional mountain village of 450 inhabitants is one of the few access points

between the Maurienne and Tarentaise valleys and is also the gateway for Italian skiers to access the 3 Vallées.

Located between 2,350m and 3,230m, the ski resort benefits from excellent snow cover from the end of November to the beginning of May and regularly ranks as one of the top ski resorts in the northern Alps for snowfall.

Treasure hunters seeking white gold and breathtaking experiences know that Orelle offers the best! Proof, if any where needed: Orelle owns La Tyrolienne, the highest zipline in the world!

Grab your skis and set off on an adventure to explore breathtaking landscapes, aweinspiring peaks and other amazing attractions!
